

Overview

The Northern Ireland Multiple Deprivation Measure (NIMDM) 2010 report was published on 26 May 2010 by the Northern Ireland Statistics and Research Agency (NISRA).

Aim

The Northern Ireland Multiple Deprivation Measure (NIMDM) 2010 identifies small area concentrations of multiple deprivation across Northern Ireland. It updates and replaces the NIMDM 2005 as the official measure of deprivation in Northern Ireland.

This leaflet provides information on accessing the NIMDM 2010 results and gives details of the dissemination events.

Accessing the NI Multiple Deprivation Measure 2010

The NIMDM 2010 report is available to download from the NISRA and NINIS websites (including large print report). Hard copies are available on request.

Interactive maps were developed to present the updated deprivation results and to enable users to create custom thematic maps from the NIMDM 2010 and domain results.

Dissemination Events

Two public events are planned as part of the dissemination of the Northern Ireland Multiple Deprivation Measure 2010. These events will provide an overview of the updated deprivation measure and an opportunity to ask questions. The events are planned for:

- 30 September 2010
Belfast - McAuley House, NISRA
- 6 October 2010
L'derry - Ebrington Site, Ilex

In addition a number of NIMDM 2010 dissemination events have been planned in September and October for Neighbourhood Renewal staff, Investing for Health staff, rural groups and for particular government departments.

To register for an event or for more information please call 028 9034 8111 or email: deprivation.nisra@dfpni.gov.uk
