Notes: 1. Pensionable age at the time of the Census (29 April 2001) was 65 for men and 60 for women.

2. All ethnic groups except all sub-categories of White and Irish Traveller (Northern Ireland only).

3. People whose address at Census Day was within the Parliamentary Constituency but whose address one year before Census Day was outside the Parliamentary Constituency. This is not a complete count of people moving in as it excludes people who lived outside the area one year before the Census Day but had no usual residence. Note that figures for European Electoral Regions are for people moving in to their Parliamentary Constituency in that Region - not for people moving in to that Region.

4. Not including economically active full-time students.

5. All people resident in the area who are in employment. Results for people employed in an area (the 'workplace population') are available in the Census Area Statistics. Includes full-time students in employment.

6. 'Manufacturing' defined as SIC92 Section D.

7. For the purposes of this table, public transport is defined as underground, metro, light rail or tram; train; bus, minibus or coach. Note that this column relates to method of travel to work or study in Scotland.

8. Includes one-person pensioner households.

9. Households consisting of a couple family and no others. Does not include all-pensioner households.

10. Households consisting of a lone-parent family and no others. Does not include all-pensioner households.

2. All ethnic groups except all sub-categories of White and Irish Traveller (Northern Ireland only).

Note that figures for European Electoral Regions are for people moving in to their Parliamentary Constituency in that Region - not for people moving in to that Region.

4. Not including economically active full-time students.

5. All people resident in the area who are in employment. Results for people employed in an area (the 'workplace population') are available in the Census Area Statistics. Includes full-time students in employment.

6. 'Manufacturing' defined as SIC92 Section D.

7. For the purposes of this table, public transport is defined as underground, metro, light rail or tram; train; bus, minibus or coach. Note that this column relates to method of travel to work or study in Scotland.

8. Includes one-person pensioner households.

9. Households consisting of a couple family and no others. Does not include all-pensioner households.

10. Households consisting of a lone-parent family and no others. Does not include all-pensioner households.
