Theme Table Footnotes

Theme Table Footnotes

Accommodation

- 'All student household' includes students living alone.

Accommodation Type

- 'Flat, maisonette or apartment' includes 'In a commercial building (for example, in an office building, or hotel, or over a shop)'.

Age

- Pensionable age at the time of the Census (29 April 2001) was 65 for men and 60 for women.

Car or Van Availability

- Cars or vans includes company cars or vans if available for private use.

Communal Establishment Population

- Communal establishment residents includes staff and their families, other residents and persons sleeping rough.

Community Background (Religion or Religion Brought Up In)

- The term 'Catholic' includes those respondents who gave their religion as Catholic or Roman Catholic.
- The community background of those who moved out of Northern Ireland is not known as there is no comparable question in the Censuses in the rest of the UK (applies to T33).

Country of Birth

- The European Union (EU) as defined on Census day (29 April 2001).

Daytime Population

- 'Workplace population' relates to those who work within the area. 'Daytime' population relates to those who work within the area or who live in the area but do not work.

Dependent Children

- A dependent child is a person in a household aged 0 to 15 (whether or not in a family) or a person aged 16 to 18 who is a full-time student in a family with parent(s).

Distance to Place of Work

- 'Works elsewhere outside the UK' includes working at an offshore installation.

- The distance to place of work is a calculation of the straight line distance between the postcode of place of residence and postcode of workplace.
- For full-time students their place of residence is their term-time address and they are categorised based on this address. When a full-time student spends part of the week at their 'home' or 'vacation' address, their place of work may be closer to this address and the distance travelled to work may be much less.
- 1km = 0.621miles.

Economic Activity

- Economic Activity includes all persons aged 16 to 74, unless otherwise stated in the table population.
- For the Census, part-time is defined as working 30 hours or less a week. Full-time is defined as working 31 or more hours a week.

Economic Activity of Household Reference Person (HRP)

- Economic Activity includes all persons aged 16 to 74, unless otherwise stated in the table population.
- For the Census, part-time is defined as working 30 hours or less a week. Full-time is defined as working 31 or more hours a week.

Family Status

- A lone parent can be classified as married (or re-married) if they denote their marital status as married (or re-married), but have no spouse or partner identified in the relationship matrix.
- A family consists of a couple (married or cohabiting) with or without children. It also includes a married or cohabiting couple with their grandchildren or a lone grandparent with his or her grandchildren, if there is no parent in the intervening generation in the household. A family will also include step-children when their parent is part of the couple.
- Pensionable age at the time of the Census (29 April 2001) was 65 for men and 60 for women.
- Couple family households include both married and cohabiting couple family households.

Family Type

- A lone parent can be classified as married (or re-married) if they denote their marital status as married (or re-married), but have no spouse or partner identified in the relationship matrix.
- A family consists of a couple (married or cohabiting) with or without children, or a lone parent and their children. It also includes a married or cohabiting couple with their grandchildren or a lone grandparent with his or her grandchildren, if there is no parent in the intervening generation in the household. A family will also include step-children when their parent is part of the couple.
- Cohabiting couples includes same sex couples.
- A family 'without step-child(ren)' is a family where all children are children of both members of the married or cohabiting couple. A family 'with step-child(ren)' is one where there is a child (or children) who belong to only one member of the married or cohabiting couple.

General Health

- General health refers to health over 12 months prior to Census day (29 April 2001).

Hours Worked

- Hours worked is the average number of hours worked per week for the last four weeks before the Census (29 April 2001).
- For the Census, part-time is defined as working 30 hours or less a week. Full-time is defined as working 31 or more hours a week.

Household Composition

- A dependent child is a person in a household aged 0 to 15 (whether or not in a family) or a person aged 16 to 18 who is a full-time student in a family with parent(s).
- Pensionable age at the time of the Census (29 April 2001) was 65 for men and 60 for women.
- Couple family households include both married and cohabiting couple family households.

Industry

- Industry includes all persons aged 16 to 74 in employment, unless otherwise stated in the table population.
- 'Other' industry includes other community, social and personal service activities, private households with employed persons and extra-territorial organisations and bodies.

Knowledge of Irish

- An ability to speak, read or write Irish does not imply an ability to understand spoken Irish unless stated. Persons in these categories may or may not have the ability to understand Irish.
- Knowledge of Irish is any of the following: understanding spoken Irish, reading Irish, speaking Irish or writing Irish.

Limiting Long-Term Illness

- Limiting long-term illness covers any long-term illness, health problem or disability which limits daily activities or work.

Living Arrangements

- Living Arrangements includes all persons aged 16 and over, unless otherwise stated in the table population.
- The living arrangements variable is different to marital status. It combines information from both marital status and the relationship matrix. Therefore a person living as part of a 'cohabiting couple' could in fact be married (to someone else) but will not appear as married or separated in this classification.
- Cohabiting couples includes same sex couples.
- A person not living in a couple can be classified married (or re-married) but have no spouse or partner resident in the household.
- Under Living Arrangements 'Other' includes married, re-married or divorced persons who are not living in a couple.

Migration

- One year ago is one year before the Census (29 April 2001).
- Inflow is not an exact count of persons moving into Northern Ireland as it does not include persons who had no usual address one year ago who did not live within Northern Ireland.
- Outflow is not a count of all persons moving out of Northern Ireland as it does not include persons who have moved outside the UK.
- Persons under one year old, living in households, take the migration characteristics of their next of kin, instead of 'no usual address one year ago'.
- A wholly moving household is one where all members of the household have moved from the same address. A partly moving household is where one or more members of the Census day household have moved in the last year but not all members have moved from the same address.

National Statistics Socio-economic Classification (NS-SeC)

- NS-SeC includes all persons aged 16 to 74, unless otherwise stated in the table population.
- In the NS-SeC classification all full-time students are recorded in the 'full-time students' category regardless of whether they are economically active or inactive.
- For Long-term unemployed, year last worked is 1999 or earlier.
- 'Not classified' includes all full-time students regardless of whether they are economically active or inactive.

National Statistics Socio-economic Classification (NS-SeC) of Household Reference Person (HRP)

- NS-SeC includes all persons aged 16 to 74, unless otherwise stated in the table population.
- In the NS-SeC classification all full-time students are recorded in the 'full-time students' category regardless of whether they are economically active or inactive.
- For Long-term unemployed, year last worked is 1999 or earlier.
- 'Not classified' includes all full-time students regardless of whether they are economically active or inactive.

Number of Adults in Employment in Household

- 'In employment' includes economically active full-time students in employment.

Occupancy Rating

- The occupancy rating provides a measure of under-occupancy and overcrowding. For example a value of -1 implies that there is one room too few and that there is overcrowding in the household. The occupancy rating assumes that every household, including one person households, requires a minimum of two common rooms (excluding bathrooms).

Occupation

- Occupation includes all persons aged 16 to 74 in employment, unless otherwise stated in the table population.
- The occupation classification is SOC2000 (Standard Occupation Classification).

Pensioner Household

- Pensionable age at the time of the Census (29 April 2001) was 65 for men and 60 for women.

Provision of Unpaid Care

- The term 'care' covers any unpaid help, looking after or supporting family members, friends, neighbours or others because of long-term physical or mental ill-health or disability or problems related to old age.

Qualifications (Highest Level of Qualifications)

- Qualifications includes all persons aged 16 to 74, unless otherwise stated in the table population.
- The term 'No qualifications' describes persons without any qualifications. The term 'Lower level qualifications' is used to describe persons with level 1 to 3 qualifications and the term 'Higher level qualifications' refers to qualifications of levels 4 and 5.
 - Level 1 : GCSE (grades D-G), CSE (grades 2-5), 1-4 CSEs (grade 1), 1-4 GCSEs (grades A-C), 1-4 'O' level passes, NVQ Level 1, GNVQ Foundation or equivalents
 - Level 2 : 5+ CSEs (grade 1), 5+ GCSEs (grades A-C), 5+ 'O' level passes, Senior Certificate, 1 'A' level, 1-3 AS levels, Advanced Senior Certificate, NVQ level 2, GNVQ Intermediate or equivalents
 - Level 3 : 2+ 'A' levels, 4+ AS levels, NVQ level 3, GNVQ Advanced or equivalents
 - Level 4 : First Degree, NVQ level 4, HNC, HND or equivalents
 - Level 5 : Higher Degree, NVQ level 5 or equivalents.

Religion

- The term 'Catholic' includes those respondents who gave their religion as Catholic or Roman Catholic.

Residence Type

- Communal establishment residents includes staff and their families, other residents and persons sleeping rough.

Tenure

- Tenure includes all persons in private households.
- The terms used to describe tenure are defined as:
 - Owner occupied: either owns outright, owns with a mortgage or loan, or pays part rent and part mortgage (shared ownership).
 - Social rented: rented from Northern Ireland Housing Executive, Registered Social Landlord, Housing Association, Housing Co-operative or Charitable Trust.
 - Rented from NIHE: rented from Northern Ireland Housing Executive.
 - Other social rented: rented from Registered Social Landlord, Housing Association, Housing Co-operative or Charitable Trust.
 - Private rented: rented from a private landlord or letting agency, employer of a household member, or relative or friend of a household member or other person.
- 'Social rented' and 'Private rented' includes living in the household rent free.

Workplace Population

- 'Workplace population' relates to those who work within the area. 'Daytime' population relates to those who work within the area or who live in the area but do not work.
- The 'workplace' population aged 16 to 74 and 'daytime population' aged 16 to 74 do not include those persons working in Northern Ireland who live outside the UK.
- 'Lives in Northern Ireland and works outside UK' includes persons who work at an offshore installation; 'Lives and works in Northern Ireland' includes persons who work mainly at or from home and those with no fixed place of work.
- For full-time students their place of residence is their term-time address and they are categorised based on this address. When a full-time student spends part of the week at their 'home' or 'vacation' address, their place of work may be closer to this address and the distance travelled to work may be much less.
- The workplace population includes some economically inactive or unemployed full-time students living in Scotland and studying in Northern Ireland.

Year Last Worked

- 'Last worked in 2001' means last worked in the four months before Census day (29 April 2001).
