Welcome and Introduction

Dr Norman Caven
NISRA Chief Executive / Registrar General
Introduction

• Second main release of outputs from the 2011 Census
• First release was population and household statistics
• Today’s focus is on Key Statistics
Key Statistics

• Demography
• Ethnicity / Identity / Language / Religion
• Health
• Housing and accommodation
• Qualifications & labour market
• Travel to work or study
• Migration
Documents

- Published (laid) report
- Statistics Bulletin (long)
- Statistics Press Notice (short)
- Copies of above provided today – all available online

- Further supporting papers on the internet
Accessing the information

• Published report gives Northern Ireland figures only
• Complementary information for LGDs is available online
• Northern Ireland Neighbourhood Information Service (NINIS)
• Provides the statistics, mapping and charting
What’s next – after today?

• Key Statistics for small areas (wards and so forth) – January / February 2013

• Cross-tabulations of variables, at all levels of geography – March 2013 onwards

• Bulk of pre-planned outputs by summer
Today’s schedule

- Statistics will be published at 09.30
- Hard copies will be circulated
- Short presentation of main results
- Q&A session

- Media interviews as required
Media interviews

- Three commentators present -
- Ian Shuttleworth - QUB
- Dermot O’Reilly - QUB
- Richard Ramsey – Ulster Bank

- Plus senior Census Office officials
Internet

• Machines at the back of the room
• Access to all the underlying data
• Put in a postcode – get a Census profile
• Interactive mapping and charting
Results

Robert Beatty
Head of Census, NISRA
Population and households

- Census Day population – 1.811 million
- Up 7.5 per cent since 2001
- 703,300 households
- Up 12 per cent since 2001
Population and households

- Reduction in number of children
- Increase in the number of adults, especially the elderly
- Population ageing
- Median age up from 34 to 37 since 2001
Households and families
Marital and civil status

- Almost half (48 per cent) of those aged 16+ are married

- Just over one-third (36 per cent) were single
Marital and civil status

• Almost half (48 per cent) of those aged 16+ are married

• Just over one-third (36 per cent) were single

• Just over 1,200 people (0.1 per cent) in registered same-sex civil partnership
Households with dependent children

- Number of households with dependent children up from 228,500 (2001) to 238,100 (+4 per cent)

- Number of lone-parent households with dependent children (lone parent aged 16-74) up from 50,500 to 63,900 (+27 per cent)
Figure 1.1 - Employment status of lone parent (aged 16-74 years) in lone parent households with dependent children

- **In part-time employment**: 20% (2001), 31% (2011)
- **In full-time employment**: 20% (2001), 22% (2011)
- **Not in employment**: 60% (2001), 47% (2011)
Long-term health problem or disability

• 21 per cent of the population had a long-term health problem or disability (2001 – 20 per cent)

• 40 per cent of households (2011) contained at least one person with a long-term health problem or disability.
Map 1.1 - Proportion of all households with at least one person with a long-term health problem or disability by LGD

Quintile Range
- 0.00% - 37.49%
- 37.50% - 39.79%
- 39.80% - 40.99%
- 41.00% - 42.29%
- 42.29% and over

Map 7.1 - Driving of a car or a van to place work by LGD (all usual residents in employment aged 16-74 years (excluding students) in employment and currently working)

Natural Breaks
- 0.00% - 49.99%
- 50.00% - 54.99%
- 55.00% - 60.33%
- 60.34% - 62.29%
- 62.30% and over

NB: the use of a car or van was distinctly lower in Belfast and Derry LGDs. Accordingly, this map is based on Natural Breaks rather than Quintiles.
Migration
Map 8.1 - All usual residents born in Northern Ireland who have resided elsewhere and returned by LGD
What’s next?

- Statistics for small areas (wards and so forth) – January / February 2013

- Cross-tabulations of variables, at all levels of geography – March 2013 onwards

- Bulk of pre-planned outputs by summer
