

Breach of the Code of Practice for Official Statistics - 24 April 2020

Prior to publication of the 'Weekly Deaths Bulletin' at 9.30am on 24th April 2020, key findings relating to deaths in care homes were shared with officials not on the pre-release access list, contrary to Practice T3.3 and T3.4 of the Code of Practice for Statistics. A full breach report will be available on the [Office for Statistics Regulation website](#).
