INCOME & BENEFITS

[INTROB] I am now going to ask a few questions on income and benefits. We normally analyse income and benefit information to report on the differing circumstances of Northern Ireland households e.g. car ownership by income groups, internet availability by income groups, smoking prevalence by income groups and this helps policy makers to understand the differences that exist in society. This information is used for statistical purposes only and is not shared with anyone else in any way which can be associated with you or your address.
