3. I would like to use my bicycle more but I am afraid to cycle. I don't like the cars travelling at speed and I get nervous thinking about what would happen to me on a bicycle when a car passes too closely and/or too fast. I would cycle if I felt safer on the roads - if cars were slower and less frequent and if there were more quiet streets with few cars and paths without any cars at all

4. I am not interested in cycling at all as I am not or simply have no interest
