

16/10/2013 Note: Users are advised that some of the Construction Output Series are presented in Constant (2005) Prices only as they are no longer considered to be seasonal. The Background Notes (point 9) advises which series have changed. For those series which are still considered to be seasonal, figures are presented in Constant (2005) Prices Seasonally Adjusted.

16/09/2013 Methodological Notice: Following a review carried out by the Office for National Statistics (ONS) in June 2013, a number of the construction output series are no longer considered to be seasonal. In the Q2 2013 Bulletin, figures for those output series which are not seasonal will be presented in constant (2005) prices only.
