

NI CONSTRUCTION BULLETIN Q1 2010: postponement of release

DATE: 7 JULY 2010

The Northern Ireland Construction Bulletin (Q1 2010) scheduled for publication on 21 July 2010 at 9.30am has been postponed by Central Survey Unit (CSU) of the Northern Ireland Statistics and Research Agency.

The Office for National Statistics is currently developing new deflators used to calculate constant price series for construction output. These new deflators, essential in the production of the NI construction output series, will not be available to CSU in time to meet the scheduled publication date of the NI Construction Bulletin (Q1 2010) on 21 July 2010.

The NI Construction Bulletin (Q1 2010) will now be published on 18 August 2010 at 9.30am.
