22 December 2020

Dear Deborah

Thank you for contacting my team about an exemption from the Code of Practice for Statistics to permit a later release time for NISRA's weekly deaths statistics for the week ending 18 December 2020. This is to avoid publication of the statistics on Christmas Day.

Given the circumstances for publishing this release earlier than usual, I am happy to confirm exemption from the standard publication time of 9.30am to permit a later release time of 4pm for these statistics.

Yours sincerely

Ed Humpherson
