Dear Resident(s)

Your address has been selected for an important study carried out by the **Northern Ireland Statistics and Research Agency (NISRA)**. Central Survey Unit (CSU) is the leading survey organisation in Northern Ireland and is one of the main business areas of NISRA. Each year about **sixty thousand people** take part in our surveys.

### **Taking part will help your household**

Many of the news stories you see or hear, about the economy, the cost of living or public transport are based on the information that we collect. This particular study, the **Travel Survey**, is about your daily experience of travelling and is used by the Department for Infrastructure for planning. Your contribution to this study is essential for producing statistics used to make decisions which affect you, your family and your community.

### **We need to interview your household**

One of our interviewers is planning to visit your address to arrange a convenient time for an interview. If you have any questions, please call us on **02890 255118**.

Our interviewers are available during the day, in the evenings and at weekends and carry a NISRA identity card, for your reassurance. Please show this letter to other people in your household in case the interviewer visits when you are not at home.

### **We value your contribution**

Most people who take part find this interesting and are pleased to have their views and experience taken into account. We rely on the voluntary contribution of everyone that we approach. Your answers will be treated as confidential.

Yours faithfully,

A handwritten signature in black ink, appearing to read 'Kevin Sweeney', is written over a light blue horizontal line.

**Dr Kevin Sweeney**  
**Head of Central Survey Unit**
