 - ❖ Brought forward due to relevance to forthcoming council elections

Fourth release: Local Characteristics

- **March 2014: Around 100 tables (all themes and all geographies)**
 - ❖ Marks the end of the four pre-planned releases - in line with our Ministerial target of 31 March 2014

General Report

- **Pencilled in for summer 2014**

Specialist outputs

Eurostat

- ❖ As part of EU harmonisation, all NSIs are required to provide a series of common cross-tabulations, based on Census-type data
- ❖ The statistics will be accessible through the Eurostat website
- ❖ ONS are taking the lead on the generation of UK-wide returns
- ❖ It will contain outputs that identify Northern Ireland
- ❖ The outputs are scheduled for March 2014

Specialist outputs (continued)

Micro-data

- **Co-ordinated UK outputs, but with separate NISRA products**
- **Final decisions still to be taken on full range of products**
- **Products likely to include:**
 - ❖ Teaching File (1 per cent person sample)
 - ❖ Safeguarded File (5 per cent person sample)
 - ❖ Secure File in VML (10 per cent person sample and 10 per cent household sample)
- **Current priority: Teaching file, scheduled for early 2014 release**
- **Remaining products to follow later in 2014**

Specialist outputs (continued)

Flow data

- **NISRA plans to mirror ONS release timetable**
- **NISRA currently involved in product specification process**
- **First release - early 2014 (possibly February).**
- **Remaining products to follow in spring 2014**

Other outputs and projects (all 2014)

- **Grid square outputs**
- **Review of settlement and urban / rural classifications**
- **Hard-copy 2001 Census Summary Report, based on Key Statistics**
- **Views of members on other outputs?**

Uses of the 2011 Census data

Northern Ireland Longitudinal Study (NILS)

- **β -testing of NILS database including 2011 Census link is complete**
 - ❖ 'Soft launch' on 9 December 2013; UK launch planned for 6 March 2014

Future Housing Need

- **NI Housing Executive (NIHE) has commissioned research into the implications of 2011 Census data for future housing need**

Northern Ireland Strategic Multi-modal Transport Model

- **Roads Service will be using 2011 Census travel to work and study data as a key component in the construction of this model**

Online dissemination / visualisation

- **2011 Census Results all disseminated through NINIS system**
<http://www.ninis2.nisra.gov.uk/public/Theme.aspx?themeNumber=136&themeName=Census 2011>
- **In addition to hosting main tables, NINIS includes bulk-delivery option and visualisation content**
 - ❖ e.g. Flash interactive mapping and charting
- **Census Office is continuing work with SMARTCensus on visualisation of multi-dimensional tables**
 - ❖ Lunchtime seminar for NISRA staff featuring an in-house pilot 'vodcast' on Census data
- **All Island Census Atlas (β Version)**
 - ❖ Interactive mapping tool, containing 2011 NI and RoI data, launched by All Island Research Observatory and International Centre for Local and Regional Development
<http://airomaps.nuim.ie/flexviewer/?config=AllIslandAtlas.xml>

Conclusion

- **On schedule to publish four main Releases by March 2014**
- **Range of other outputs and projects scheduled for 2014**
- **Beyond 2011.....**
