

Northern Ireland Annual Business Inquiry Guidance Notes

2. EMPLOYEES

Defined as those persons receiving a salary / wage to carry out permanent, temporary, full time or part-time jobs (or are on a training scheme with a contract of employment). They must be aged 16 or over and their job / training scheme must be based in Northern Ireland. They must be on the payroll on the survey date. Temporary absence on the survey date (e.g. holidays, sickness, maternity leave) does not affect an individual's status as an employee for the purposes of this survey. Similarly, staff (e.g. sales rep) who are mobile should be counted. Please include any Agency staff who are paid directly by you (i.e. on your payroll). If your organisation is an Agency that provides temporary staff for other organisations, please include all staff working in Northern Ireland who are paid directly from your payroll. This may include staff placed by your Agency in other businesses.

3. INCOME (EXCLUDING VAT)

3.1 TURNOVER

Turnover consists of total takings or invoiced sales and receipts of the business in connection with the sale of goods and services. Interest and similar income, other operating income and extra-ordinary income should be **excluded** from the **total turnover** figure as should net proceeds on sales of capital items. Figures should be given gross of indirect taxes, duties and levies (**except** VAT) invoiced to the customer.

Sales should be valued at selling price, before deducting allowances for vehicles traded in. Sales of vehicles and parts to fleet operators should be included with retail sales, even if the price charged is the trade price. Vehicles purchased under the Scrapage Incentive Scheme - include full value of the vehicle including any incentive received from either the manufacturer or the government.

INCLUDE:

- The full cost to customers of buying vehicles **i.e.** charges for delivery, vehicle excise duty and number plates etc., and the cost of extras added at a customer's request;
- All sales of goods (except fixed capital assets) **including** exports and goods purchased and resold without processing;
- Services rendered to other organisations such as rents for commercial and industrial buildings, amounts charged for hiring out plant, machinery and other goods, the provision of transport, computer processing, technical research and studies;
- Repair and installation work whether or not in combination with sale of goods;
- Income derived from the renting of property;
- Amounts received for the right to use patents, trademarks, copyrights etc.;
- Provision of goods or services to other parts of your company or organisation, which are not covered by this return. These should be valued as if sold to an independent customer. If you are unable to supply figures on this basis, please value them at transfer cost;
- Work done on customers' materials (**including** value of any additional materials added);
- Progress payments received for work in progress on long-term contracts, which have not been identified as stocks on the balance sheet;
- Commission on lottery sales;
- Income from sub-contracted activities;
- For commission work (**i.e.** where you do not hold title to goods sold), the commission/fee is to be **included**, but not the full transaction price. Also to be **included** here are costs incurred and passed on to the customer;
- The value of second-hand goods taken in part exchange (such second-hand goods should also be recorded as purchases);
- Service charges for credit provided (but not interest charges);
- The value of vouchers, tokens and coupons used by customers as a means of payment (but not the sale of such vouchers etc., to customers);
- Campaign bonuses, which includes tactical and registration bonuses paid by the manufacturer for the sale and marketing of their products;
- Royalty payments received.

EXCLUDE:

VAT;
Output for own final use;
Income recorded as extra-ordinary income in your accounts;
The sale of vehicles previously treated as capital assets during the period. Include these in section 9;
Interest payments received and other similar income;
Amounts received from the sale of fixed capital assets;
Amounts received from the sale of patents, trademarks, copyrights etc.;
Grants from any source;
Subsidies from UK public authorities and the European Union (EU);
Value of insurance claims received;
Income recorded as 'Other Operating Income' in your accounts;
Income derived from the renting of land;
All trade, cash or other discounts and rebates (i.e. record turnover net of these);
Sales by other businesses operating on your premises (as well as any commission received on such sales);
Amounts arising from donations and fundraising activities;
The full value of any transfer fees received.

3.1(a) TURNOVER FROM SALES OF MOTOR VEHICLES**INCLUDE:**

Sales of demonstration cars and delivery mileage cars pre-registered by the manufacturer and sold by you as used (include courtesy cars and self-supply cars);
Sales of new motor vehicles (including charges for delivery, vehicle excise duty, number plates and optional extras);
Sales of used motor vehicles and motorcycles (include: motorhomes; taxis; vans and other commercial vehicles but exclude trailer caravans and agricultural tractors).
Car Auctioneers who do not hold title to the vehicles sold should only include any fees paid to them and not the full value of the vehicle sales.

3.1(b) TURNOVER FROM OTHER MOTOR TRADE ACTIVITY**INCLUDE:**

Turnover from the sales of petrol, diesel, oil and other petroleum products to which you hold title to (petrol filling stations who do not hold title to the petrol sales should only include any fees paid to them and not the petrol sales);
Turnover from the sale of motor vehicle parts and accessories;
All other motor trades' receipts (including repair and servicing, labour, campaign bonuses, trailers and caravans).

3.1(c) TURNOVER FROM NON-MOTOR TRADE ACTIVITY**INCLUDE:**

Retail sales of food and drink sold through forecourt shops;
All other retail turnover e.g. commission received from any lottery sales;
Turnover arising from service activities e.g. car hire (including all other fees and commissions received).

3.2 SALES AND EXPORT DESTINATIONS

This section and section 3.3 relate to exported goods and services. Any transactions with individuals, enterprises or other organisations domiciled in a country other than the United Kingdom are regarded as international transactions. The United Kingdom is defined as England, Scotland, Wales and Northern Ireland. It does not include the Channel Islands or the Isle of Man. For more detail please see note 3.3.

3.3 EXPORTS OF GOODS AND SERVICES

This section relates to exported goods and services. Any transactions with individuals, enterprises or other organisations domiciled in a country other than the United Kingdom are regarded as international transactions. The United Kingdom is defined as England, Scotland, Wales and Northern Ireland. It does not include the Channel Islands or the Isle of Man.

A subsidiary or parent of your company situated in another country is regarded as an international resident and hence

transactions in goods and services with these entities should be regarded as international trade (exports) in goods and services.

The values shown in these boxes should already have been included as part of your figures in Section 3.

EXPORT GOODS INCLUDE:

The total sale value (excluding VAT, but including excise duties (less draw-back)) of goods or materials of your own production directly sold by your business to a company based outside the UK;

This includes the sale of raw materials, components, semi-manufactures, workshop and office material, stationery and consumables, spares and packaging materials;

The total sale value (excluding VAT, but including excise duties (less draw-back)) of goods and materials bought and directly resold without further processing (i.e. merchanted and factored goods that physically leave the UK) to a company based outside the UK;

Any goods sold on a 'sale or return' basis which were subsequently unsold, exclude the cost of those returned.

EXPORT GOODS EXCLUDE:

Goods which are sold to a business elsewhere in the UK and subsequently re-sold by that business as an export.

Trade in services;

Amounts charged to capital account;

Fixed capital assets;

Goods that are sent for or returned for repair.

EXPORT SERVICES INCLUDE:

Repair of construction equipment and computers (but not maintenance);

The hiring out of plant, machinery and other goods (operational leasing);

Consultancy services (e.g. market research, advertising, accountancy and research and development);

Royalties and licence fees;

Telecommunications services;

Computer services (excluding hardware);

Advertising and Commission as an agent (excluding the value of imports/exports of goods);

Merchanting profits and losses (on goods bought and sold abroad without entering the United Kingdom);

Management fees;

Insurance and finance services.

EXPORT SERVICES EXCLUDE:

Trade in goods;

Dividend or interest payments;

Transactions in financial assets or liabilities;

Repairs other than for construction equipment and computers;

Salaries of staff seconded abroad - if period of their absence is less than one year;

Business travel services such as accommodation and meals whilst abroad.

3.6 ENVIRONMENTAL GOODS AND SERVICES

Environmental goods and services refer to the provision of environmental technologies, goods and services. Please only include technologies, goods and services that have been *produced for* the environment ('environmental purpose').

'Environmental purpose' means that the technology, good or service has been produced for the purpose of:

Preventing or minimising pollution, degradation or natural resources depletion

Reducing, eliminating, treating and managing pollution, degradation and natural resources depletion or restoring environmental damage to air, water, waste, noise, biodiversity and landscapes

Carrying out other activities such as measurement and monitoring, control, research and development, education, training, information and communication related to environmental protection and/or resource management.

In order to define whether a technology, good or a service qualifies, the environmental purpose must be the 'main purpose'.

4. VALUE OF STOCKS HELD (EXCLUDING VAT, CONSIGNMENT STOCK AND STOCK YOU DO NOT HOLD TITLE TO)

Stocks should be valued for balance sheet purposes, i.e. the lower of cost or net realisable value. Where long-term contract balances are **included** in stocks they should be recorded net of progress payments. Where the outcome of the contract is known with reasonable certainty and a proportion of the contract income has been recognised as turnover, progress payments should be disregarded.

INCLUDE:

Materials, stores and fuel, work in progress and goods on hand for sale. (Work in Progress consists of goods and services that have been partially processed, fabricated or assembled by the producer but are not usually sold or turned over to others without further processing);

All stocks, that you own title to, of goods and materials on hand for sale or processing (other than goods supplied to another party with a reservation of title clause if treated as turnover);

All stocks owned and held by you in the UK or currently in transit within the UK;

The value of any goods let out on hire, only if they were charged to current account when acquired and do not rank as capital items for taxation purposes;

Products that you own title to in intermediate stages of completion;

Duty on stocks held out of bond;

Long term business contract balances.

All stocks owned and held by you overseas or currently in transit abroad.

EXCLUDE:

Stocks you hold but do not own title to (**including** consignment stock);

Duty on stocks held in bond;

Value Added Tax, whether paid on purchases or chargeable on sales;

Products in intermediate stages of completion that do not belong to you.

7. EXPENDITURE

7.1 EMPLOYMENT COSTS

Wages and salaries are defined as the total compensation in cash or in kind payable to all **employees** (e.g. permanent, temporary, full-time, part-time, casual and seasonal workers etc.). National non-domestic (business) rates.

7.3 PURCHASES AND IMPORTS OF GOODS AND SERVICES

This section relates to imported goods and services. Any transactions with individuals, enterprises or other organisations domiciled in a country other than the United Kingdom are regarded as international transactions. The United Kingdom is defined as England, Scotland, Wales and Northern Ireland. It does not include the Channel Islands or the Isle of Man.

A subsidiary or parent of your company situated in another country is regarded as an international resident and hence transactions in goods and services with these entities should be regarded as international trade (imports) in goods and services.

The values shown in these boxes should already have been included as part of your figures in Section 7.

IMPORT GOODS INCLUDE:

The total purchase value (excluding VAT, but including excise duties (less draw-back)) of unfinished goods or materials directly bought by your business from a company based outside the UK;

This includes purchases of raw materials, components, semi-manufactures, workshop and office material, stationery and consumables, spares and packaging materials;

The total purchase value (excluding VAT, but including excise duties (less draw-back)) of goods and materials bought for the purposes of direct resale without further processing (i.e. merchanted and factored goods that physically enter the UK) from a company based outside the UK;

Any goods bought on a 'sale or return' basis which were subsequently unsold, exclude the cost of those unsold.

IMPORT GOODS **EXCLUDE:**
