# Northern Ireland Construction Output Statistics

## Methodological Notice

Users are advised that the estimates of the Northern Ireland Construction Output Statistics for Quarter 2 2018 (1<sup>st</sup> April to 30<sup>th</sup> June) published today (11<sup>th</sup> October 2018) will incorporate the re-referencing of the figures to 2016 = 100 to align with the Office for National Statistics Construction Outputs Statistics.

This change will result in changes to the level of construction output but growth rates should be maintained.

It is standard practice for NISRA to announce planned and unplanned revisions to its releases.
